I-73 5th letter.pdf

Tina – I enjoyed speaking with you and Robin last Thursday. Per our discussion about the I-73 project, Kelly shared with me the latest correspondence which was issued by our office nearly a year ago. The comments in the attachment reflect concerns with the mitigation plan, and it's my understanding that the letter does not maintain some of the other comments raised in our 3(a) and 3(b) letters for this project. If you'd like discuss this please let us know. Tom
